

Features and Benefits

Tell me! Structured Writing Program

Tell me! is a structured writing program for elementary students. *Tell me!* benefits students, teachers and the overall system in many different and important ways.

Students

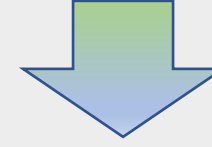

- Engaging, fun and age appropriate for all young learners
- Provides a launch pad and safety net to help students rapidly achieve success
- Provides reluctant writers with supports to initiate and continue writing
- Enables high achieving students to accelerate development of writing skills
- Empowers students to write in multiple subject areas
- Provides students with tangible outputs which can be celebrated and promote pride in their accomplishments

Teachers

- Engages highly reluctant writers
- Enables teachers to differentiate at the Tier 1, 2 and 3 levels
- Supports English language learners or struggling writers
- Teacher friendly documents presented in an electronic format
- Easy to implement the full program or program elements
- Supports/complements reading and comprehension
- Suitable for utilization as a single program or complement other writing programs

The System

- Promotes evidence-based standards for instruction of writing in elementary aged students
- Actively supports achievement of the Program of Studies in multiple jurisdictions
- Inexpensive to purchase and implement
- Available in English and French
- Supports/enables print on demand thereby reducing photocopying costs
- Includes forms which can be filled using cloud computing systems
